

REMARKS

The Examiner is requiring restriction under 35 U.S.C. §121 to elect a single disclosed species between: Species I directed to the embodiment shown in Figure 1; and Species II directed to the embodiment shown in Figure 3.

Applicant hereby elects Species I for prosecution on the merits. Claims 1-4 read on species I, and therefore, Applicant requests prosecution on the merits for claims 1-4.

This application is now believed to be in immediate condition for allowance, and action to that end is respectfully requested. If the Examiner's next anticipated action is to be anything other than a Notice of Allowance, the undersigned respectfully requests a telephone interview prior to the issuance of any such subsequent action.

Respectfully submitted,
